SECTION I: INTRODUCTION

PURPOSE

1. All members of the University Community (“Community Members” see clause 5 below) have a right to study, work, and live in an environment that is free of [Sexual Violence](#).
2. The purpose of this Policy is to:
 - a) articulate McMaster University's commitment to Sexual Violence prevention and response;
 - b) identify services and resources related to **Sexual Violence** that are available to all members of the McMaster University Community (“University Community”); and
 - c) explain the complaint and reporting options, supports, and accommodations that are available to all members of the University Community who experience Sexual Violence.

SCOPE

3. **Sexual Violence**¹ means any sexual act or act targeting a person's sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person's [Consent](#), and includes [Sexual Assault](#), [Sexual Harassment](#), stalking, indecent exposure, voyeurism and sexual exploitation.
4. This Policy prohibits all forms of Sexual Violence:
 - a) acts of [Sexual Assault](#), which fall under the broad definition of Sexual Violence, are considered a violation of this Policy and its procedures below shall apply; and
 - b) acts of [Sexual Harassment](#), which fall under the broad definition of Sexual Violence, may be considered violations of the [Discrimination & Harassment Policy](#) and its procedures may apply.
5. The Policy applies to:
 - a) **all Members of the University Community** (“Community Members”) include: students (graduate, undergraduate, and continuing education), staff, faculty, medical residents, volunteers, visitors (including visiting professors), and institutional administrators and officials representing McMaster University; and
 - b) **all University-related activities**, which are activities ([authorized](#) and [non-authorized](#)) where there is a clear nexus to the working or learning environment at the University (on and off University premises).
6. When allegations of Sexual Harassment are to be processed under the *Discrimination & Harassment Policy*, there may be circumstances where the allegations in a Complaint necessitate following the procedures under both this Policy and the *Discrimination & Harassment Policy*.
7. Where a Complaint is filed that involves behaviour prohibited by this Policy, as well as behaviour more appropriately dealt with under the *Discrimination & Harassment Policy*, the Complaint may be processed under the *Discrimination & Harassment Policy*, without compromising the Complainant's right to access the specialized supports available through the Sexual Violence Prevention and Response Office. However, any proceedings related to the Complaint will determine if there has been a violation of the *Discrimination &*

¹ [Ministry of Training, Colleges and Universities Act, R.S.O. 1990, c. M.19](#)

Harassment Policy, in addition to any findings related to this Policy. The decision regarding which policy or policies are most appropriate will be made by the University.

8. Unless otherwise specified in this Policy, the Policy and its provisions apply where the University has the jurisdiction to pursue, adjudicate, or take steps to safeguard the University community.

MCMASTER'S COMMITMENT

9. Notwithstanding the limits of confidentiality, described below, the University recognizes that enabling confidential disclosures of experiences of Sexual Violence enhances individual and community safety. The University is committed to creating an environment in which Community Members feel able to disclose experiences of Sexual Violence and access support, accommodations and information on complaint and reporting options under the [Sexual Violence Response Protocol](#).
10. The University recognizes that making a [Disclosure](#), filing a [Complaint](#), or being the focus of allegations of Sexual Violence may be difficult. The University is committed to ensuring that all individuals making disclosures or who are parties to a complaint, be they [Complainants](#) or [Respondents](#), will be treated with dignity and respect, will be guaranteed due process and procedural fairness, will be afforded privacy and confidentiality within its reasonable limits, and will have access to appropriate support and assistance throughout.
11. When a University complaint process is initiated, the University is committed to providing an intake, investigation, and adjudication process that is trauma-informed, timely, and follows the principles of procedural fairness.
12. The University is committed to addressing Sexual Violence in a manner that is informed by current knowledge, scholarship and best practices in understanding how Sexual Violence intersects with other forms of violence and social inequities.
13. The University recognizes that the experience of Sexual Violence can be traumatic, having negative immediate and/or longer-term effects on an individual's physical, mental, emotional, spiritual, and social health and wellbeing. The University is committed to providing appropriate trauma-informed support, accommodations, resources and referrals.
14. The University recognizes that socially marginalized individuals (on the basis of factors such as race, disability, Indigeneity, sexual orientation, gender identity and gender expression, religion, spirituality, age, citizenship and socio-economic status) experience disproportionately higher incidences of sexual and other forms of violence. The University is committed to ensuring culturally respectful and relevant supports and services that are attuned to systemic social inequities. The University recognizes that individuals from diverse communities who face systemic barriers and discrimination may be reluctant to disclose Sexual Violence to institutional authorities. The University is committed to examining and eliminating individual bias and institutional barriers in the organization and delivery of its services and supports.

POLICY REVIEW

15. The Policy will be reviewed annually for compliance with the *Occupational Health & Safety Act*. The Policy will be reviewed every three years in accordance with the *Sexual Violence and Harassment Plan Act* in a process inclusive of input from students, key University constituencies, women's organizations and other community partners with expertise in Sexual Violence.

16. 20. Prior to pursuing one of the options below, [Community Members](#) should read [Section III: Confidentiality](#). It is important to be aware that, **depending on the circumstances and nature of the incident disclosed**, the University may be obliged to:

Voluntary Resolution

28. In certain circumstances, a Complainant and Respondent may be interested in attempting a resolution of a Complaint at any time before the completion of an Investigation.

- a) the University is able to meet its responsibilities pursuant to the *Occupational Health & Safety Act*; and
 - b) the Complainant and the Respondent both agree to:
 - (i) attempt to reach a resolution in good faith;
 - (ii) the methods to be used to seek resolution; and
 - (iii) the terms of what would constitute resolution.
30. A meeting between the Complainant and the Respondent will **not** be a requirement for Voluntary Resolution.

SECTION III: CONFIDENTIALITY

CONFIDENTIALITY (LIMITATIONS)

34. The University recognizes the importance of confidentiality both for individuals coming forward to Disclose or Report an experience of Sexual Violence and for individuals who are the subject of a Complaint, and will take steps to protect the confidentiality of both parties to the extent permitted by its legal obligations outlined below.
35. The University and its employees and agents will protect personal information and handle records in accordance with the *Freedom of Information and Protection of Privacy Act* and the *Personal Health Information Protection Act*, where applicable in the circumstances, with the provisions of applicable collective agreements and, in the case of health care providers, in keeping with any professional obligations.
36. When making a Disclosure or Report to any University office, individuals shall receive clear and transparent information about the level of, and limits to, confidentiality that apply.
37. The University recognizes that confidentiality is a crucial consideration in creating an environment in which individuals feel able to [Disclose](#) incidents of [Sexual Violence](#) and to access [Support](#), [Accommodations](#), and information. The University will share identifying information only in circumstances where it is necessary in order to administer this Policy, to address safety concerns, or to satisfy a legal reporting requirement. In such circumstances, the minimum amount of information needed to allow such concerns to be addressed, or to meet such requirements, will be disclosed. Such circumstances include those where:
 - a) an individual is at risk of harm to self;
 - b) an individual is at risk of harming others;
 - c) there are reasonable grounds to be concerned about risk of future violence or the safety of the University and/or broader community;
 - d) disclosure is required by law, for instance, suspected abuse of someone under the age of 16, reports of intimate partner/domestic violence, or to comply with legislation, such as the *Occupational Health and Safety Act* the *Workplace Safety and Insurance Act*, or with human rights legislation; and/or
 - e) to comply with the reporting requirements of regulatory bodies and/or professional licensing bodies.
38. Where there are reasonable grounds to be concerned about risk of future violence or the safety of the broader community or the public, or where the University is otherwise obligated to do so, the University may report the incident to Hamilton Police Services. In these situations:
 - a) the relevant [Decision-Maker](#) will be responsible for making the decision to disclose information to Hamilton Police Services;
 - b) the name of the Respondent, if known, will be shared; and
 - c) the name of the Complainant will not be shared without their consent, unless doing so would address a reporting obligation or mitigate a safety risk.

-
39. Some offices and Community Members have additional limitations to confidentiality because of their particular reporting requirements or professional obligations. For example:
 - a) all regulated health professionals are obligated to report suspected sexual abuse of a patient by a regulated health professional to that professional's governing body if this information is acquired during the course of their practice; and
 - b) Special Constables in [Security Services](#) are required to investigate reports of abuse of someone under the age of 16 and reports of intimate partner/domestic violence and to lay charges in all cases when there are reasonable grounds to believe a criminal offence has been committed, regardless of whether the target of the violence wishes to have further involvement with the legal process.
 40. As part of the University's responsibility to maintain an environment free from Sexual Violence, information may be shared on a need-to-know basis.
 41. Procedural limits to confidentiality may also occur if the University is subject to legal proceedings that, in the opinion of the Provost or the Vice-President (Operations and Finance), require the disclosure of information.
 42. The importance of preserving the confidentiality of Complaints and any related proceedings will be explained to all parties as a necessary measure to protect the integrity of the proceedings.

SECTION IV: PROCEDURAL GUIDELINES

ADVISOR / SUPPORT PERSON

43. An Individual who is a party to a Complaint may be accompanied by an [Advisor](#), a [Support Person](#) or legal counsel at any stage of any of the procedures outlined in this Policy. Any costs of accompaniment or representation are to be borne by the individual.

TIME LIMITATIONS FOR BRINGING FORWARD A COMPLAINT

44. There are no time limitations on bringing forward a [Complaint](#). However, individuals are encouraged to report a Complaint at the earliest opportunity, as the longer the time lapse between the incident and the Complaint, the more difficult it becomes to investigate effectively. Once a Complaint is received, it will be dealt with as expeditiously as possible.

REPRISAL

45. The University prohibits reprisal or threats of reprisal against any person who, sincerely and in good faith, makes use of this Policy or participates in any process held under its jurisdiction. Any individual who is concerned that they are the subject of reprisals or threats should report their concerns to an Intake Office. Where appropriate, sanctions under the relevant policy (including this Policy, [Discrimination & Harassment Policy](#), and/or the [Code of Student Rights and Responsibilities](#)) legislation or contract, may be applied against the individual(s) responsible for the reprisal.

INTERIM MEASURES AND ONGOING SUPPORT OF ALL PARTIES

46. At any stage in proceedings under this Policy it may be necessary to take Interim Measures in order to safeguard the environment of Community Members who are involved or may be affected. Interim Measures shall not be construed as evidence of either guilt or a finding of violation of this Policy, or as an affirmation of innocence/finding of non-violation of this Policy.
47. The authority to approve Interim Measures will rest with the relevant [Decision-Maker](#) in line with the Respondent's reporting structure.
48. Interim Measures will be reviewed on an ongoing basis by the Director of the appropriate [Intake Office](#) throughout the process to ensure the measures remain necessary and appropriate in the circumstances. Interim Measures are temporary and do not extend beyond the final resolution of a Complaint.
49. Interim Measures may include, but are not limited to, the rearrangement of academic/employment responsibilities or oversight, an administrative leave of absence, the rearrangement of residence location (where possible), adjustments in University activities (e.g. attendance at guest lectures, social events), issuance of a no contact order, or implementation of a [persona non grata](#) declaration.
50. In the event an [Employee](#) is directed to take an administrative leave as an Interim Measure, the conditions of the administrative leave shall accord with the terms of any applicable collective agreement. In the absence of an applicable collective agreement (e.g. where the employee is faculty or The Management Group (TMG)), the leave shall be without loss of pay or benefits. It is understood that an administrative leave as an Interim Measure is non-disciplinary and is designed to separate a person from a situation or another

person until the matter has been resolved. During such period, the person can continue to access relevant University [Support Services](#).

51. Should an Investigation extend beyond six months, there will be a full review by the [Response Team](#) in consultation with the Decision-Maker to assess progress, to consider fairness to all parties, thoroughness, timeliness, and confidentiality, and to consider any necessary next steps.

DATA GATHERING & RECORD KEEPING

52. The [Director \(SVPRO\)](#) is responsible for: maintaining and reporting data relating to Sexual Violence consultations and disclosures as well as prevention education and response training initiatives and programs.
53. The [Equity and Inclusion Office](#) is responsible for collecting and reporting annual anonymized, aggregate data on Consultations, Disclosures, Complaints, Investigations, and all Outcomes and Sanctions, to the Senate and the Board of Governors.
54. Data for the annual report is collected and maintained by the Equity and Inclusion Office and includes data collected from the Sexual Violence Prevention and Response Office, the Human Rights and Dispute Resolution Program, Employee & Labour Relations, the Student Support & Case Management Office, the Faculty of Health Sciences Professionalism Office, and Security Services. The purpose of the annual report is to inform education and training initiatives.
55. In developing the annual report, the utmost care will be taken to ensure that individuals' identities remain confidential and that data gathering does not discourage individuals who wish to disclose from coming forward.
56. All notes, materials, Investigation reports, and decisions, pertaining to Complaints will be kept by the relevant Intake Office for seven years. These records may be retained longer, subject to the discretion of the appropriate Director.

SECTION V: ROLES AND RESPONSIBILITIES
